

*Exposing the False God's of Atheism – Final Week****God and Government****Selected Scriptures*

Main Idea: All governments have worldviews. How does the worldview of atheism compare to the worldview of theism in its effect on government policy? And how should Christians live in a post-Christian world.

1. THE WORLDVIEW OF ATHEISM – What impact does this worldview have on government?

- A. A thought experiment: Imagine you are in Moscow in February, 1933.
- B. The response of Alexander Solzhenitsyn.
- C. The spread of atheism outside Russia.
- D. Question:

2. THE WORLDVIEW OF THEISM – What impact does this worldview have on government?

- A. Defining terms.
- B. What biblical principles did the founding fathers embrace that flowed from the Judeo-Christian worldview?
- C. Objection #1: “Weren’t most of the founding fathers really deists?”
- D. Objection #2: “Our two founding documents don’t say much about the Christian God. Why do you say they flow from a Christian worldview?”
- E. Objection #3: “So many people hate us!”

3. QUESTION – What is the response of the church?

- A. Remembering the premise.
- B. In general: The hope of our country is a _____ among the churches.
- C. In specific: The hope of our country is a collection of churches with a missional passion, who are committed to _____!
