

Special Message

What a Great King and Brain Science Teach Us about Worship

Psalm 63:3-5

1. ***WORSHIP IN THE BEGINNING*** – From the very beginning, God ordained that our worship should be high on participation.

2. ***CORPORATE WORSHIP*** – When David reestablished worship, he re-establishes high participation worship as the standard. *1 Chronicles 13-15*

3. ***PERSONAL WORSHIP*** – When David entered into times of personal worship there was a physicality to what he did. *Psalm 63:3-5*

4. ***THE SCIENCE OF WORSHIP*** – Dr. Smith.
 - A. Neuroanatomy.
 - B. Nervous system development
 - C. Multi-sensory Brain Activity
 - D. Neurotransmitters
 - E. Spiritual awareness.
 - F. Participatory praise and worship.

5. ***CONCLUSION*** – We're committed to stretching you by providing high-participation worship experiences – because it's consistent with the Bible and corroborated by science.
 - A. Things we've done in the past.
 - B. Things we hope to do in the future.
