OUR GOD IS A MISSIONARY GOD & HE SENDS YOU

Genesis 12:1-3; Matthew 28:18-20; and Others

By Rod MacIlvaine

Introduction: Each year at Grace Community Church, at the beginning of our ministry year, we start with a spiritual growth series based on how God is leading us in the next season. This year the focus of our fall series is on missions: both local and international. My hope is that in this series you might catch a glimpse of God’s plan to reach the world through local and international missions, and that you might say, “I want to take a short-term trip, perhaps with my spouse or one of my children,” or that you might say, “I can’t take an international trip right now, but I can go across town. I can work with Grace’s local partners.”
