
Growing a Faith that Works – A Series in James – Week 8

WISDOM: BELIEVING AND BECOMING

James 3:13-18

By Jerod Starkey

Introduction: The entirety of the book of James is about wisdom. But in chapter 3:13-18, James really drills down on the two types of wisdom that exist: Earthly Wisdom and Wisdom from Above.

Today, we look at wisdom as much more than the attaining of knowledge or even the application of it. Wisdom is rooted in what you **believe** and what you are **becoming**.

What You Believe

1. **God is for God's Glory**

2. **God has created the world to work according to His design**

Proverbs 8:32-36

What You are Becoming

2 Corinthians 3:18

Applications for Obtaining Wisdom

1. Ask

James 1:5

2. An opportunity in Wisdom for Parents
