WALK HUMBLY

Micah 6:8; Proverbs 3:34; Matthew 5:5; Luke 14:11

By Josh McNall

Introduction: One of our recurring needs in life is to separate the “real” from the “fake.” This week we’ll explore the true meaning of humility as we distinguish it from counterfeits and misconceptions.

Applications:

1. **Humility is one of the defining traits of Jesus Christ.**

2. **Humility is the ultimate realism!**

3. Humility flows naturally from people who have encountered the holiness of God.
