

SERMON ON THE MOUNT

Week 15

Read Matthew 7:7-12

Note: This passage flows from the idea of the previous passage about judging and hypocrisy. Verses 1 – 6 show how we are to treat others and take responsibility for ourselves. Verses 7 – 11 show how we will need to approach and trust God. Verse 12 sums up this section.

Retell: Summarize in your own words what Jesus is saying about seeking after Him.

Discuss: What does this passage say about God’s character?

How would you summarize how we are to approach God, according to this passage?

How would you differentiate what it means to ask, seek or knock?

Where do you need to ask, seek or knock right now?

Application: Take a moment to pray and listen. How might you take a practical step today to seek God in providing for your needs or opportunities? Share with the group and pray about them together.
